3. *Type of submission:* Revision.
4. *The form number, if applicable:* NRC Form 850.
5. *How often the collection is required or requested:* On occasion.
6. *Who will be required or asked to respond:* NRC contractors, subcontractors and other individuals who are not NRC employees.
7. *The estimated number of annual responses:* 500.
8. *The estimated number of annual respondents:* 500.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 85.
10. *Abstract:* Part 10 of the *Code of Federal Regulations* (10 CFR), "Criteria and Procedures for Determining Eligibility for Access to Restricted Data or National Security Information or an Employment Clearance," establishes requirements that individuals requiring an access authorization and/or employment clearance must have an investigation of their background. NRC Form 850 will be used by the NRC to obtain information on NRC contractors, subcontractors, and other individuals who are not NRC employees and require access to NRC buildings, IT systems, sensitive information, sensitive unclassified information, or classified information.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 7th day of October, 2019.

For the Nuclear Regulatory Commission.

Kristen E. Benney,

Acting NRC Clearance Officer,

Office of the Chief Information Officer.
